21st March 2024

Dear Parents, Carers and Families

Just a short newsletter to say thank you for your ongoing support to myself and the team at Forest Oak School. It is much appreciated and we are really pleased to be working in partnership with you. Please do reach out to us if we can be of any support, offer advice or just listen!

It has been a short, but very busy Spring Term and I know that we are all looking forward to some warmer weather! We have held our termly achievement assembly and it was such a delight to be able to share the successes that our children have had! I am always so pleased to see how genuinely happy the children are for their friends.

We have lots of exciting events, trips and activities planned for the Summer Term, as well as our Annual Sports Day, Parents' Evening and also class events where you will be invited in to see what your children get up to at school all day! Some classes have already held class events such as Mother's Day painting and iPad Stories and it has been so nice to have seen so many families pop in and join in these learning sessions.

Please do also check out our newly refreshed school website - you should find lots of quality information about the school, the curriculum and what we all achieve!

I hope you all have a wonderful Easter break and enjoy some family time together!

Happy Easter and Happy Holidays to you all.

Kind regards

DONNA LUCK
EXECUTIVE HEAD TEACHER

'Working together... releasing potential'
