

## Sixth Form Curriculum Planning Overview by Term: HAZEL

PSHE   English   Maths   ICT   RE   PE   Art

Subject	Autumn 1 <sup>st</sup> year	Spring 1 <sup>st</sup> year	Summer 1 <sup>st</sup> year
<p><b>PSHE &amp; Life Skills</b></p> <p>Our PSHE &amp; Life Skills curriculum has a profound impact on our pupils, helping them develop essential emotional, social, and life skills. It supports independence, skills for life, confidence, resilience and the skills essential for next steps and the transition into adult life.</p>	<ul style="list-style-type: none"> <li>• Problem solving</li> <li>• Personal Care</li> <li>• Household cleaning &amp; jobs</li> <li>• Parenting Skills</li> </ul>	<ul style="list-style-type: none"> <li>• Using public transport</li> <li>• Accessing shops &amp; facilities</li> <li>• Relationships</li> </ul>	<ul style="list-style-type: none"> <li>• Gardening</li> <li>• Teamwork</li> <li>• Healthy Living</li> </ul>
	<p><b>Autumn 2<sup>nd</sup> year</b></p> <ul style="list-style-type: none"> <li>• Alcohol Awareness</li> <li>• Next Steps</li> <li>• Rights &amp; Responsibilities</li> </ul>	<p><b>Spring 2<sup>nd</sup> year</b></p> <ul style="list-style-type: none"> <li>• E-Safety</li> <li>• Basic First Aid</li> <li>• Diversity &amp; Respect</li> </ul>	<p><b>Summer 2<sup>nd</sup> year</b></p> <ul style="list-style-type: none"> <li>• World of Work</li> <li>• Roadwise</li> </ul>
<p><b>English: Functional Skills Level 1</b> Pearson Edexcel Functional Skills Qualification in English</p> <p>The qualifications give learners the opportunity to:</p> <ul style="list-style-type: none"> <li>• demonstrate the ability at an appropriate level to read, write, speak, listen and communicate in English</li> <li>• apply this knowledge and these skills in familiar situations.</li> </ul>	<ul style="list-style-type: none"> <li>• Speaking, Listening &amp; Communication</li> <li>• Reading</li> <li>• Writing</li> </ul>	<ul style="list-style-type: none"> <li>• Speaking, Listening &amp; Communication</li> <li>• Reading</li> <li>• Writing</li> </ul>	<ul style="list-style-type: none"> <li>• Revision</li> <li>• Mock tests</li> <li>• Exam</li> </ul>
<p><b>Maths: Functional Skills Level 1</b></p>			

<p><b>Pearson Edexcel Functional Skills Qualification in Mathematics</b></p> <p>The qualifications give learners the opportunity to:</p> <ul style="list-style-type: none"> <li>● demonstrate a sound grasp of the underpinning skills and basics of mathematical problem-solving skills appropriate to the level, and the ability to apply mathematical to solve problems in familiar situations</li> <li>● achieve a foundation for progression into employment.</li> </ul>	<ul style="list-style-type: none"> <li>● Using numbers and the number system – whole numbers, fractions and decimals</li> <li>● Using common measures, shape and space</li> <li>● Handling information and data</li> </ul>	<ul style="list-style-type: none"> <li>● Using numbers and the number system – whole numbers, fractions and decimals</li> <li>● Using common measures, shape and space</li> <li>● Handling information and data</li> </ul>	<ul style="list-style-type: none"> <li>● Revision</li> <li>● Mock tests</li> <li>● Exam</li> </ul>
<p><b>ASDAN English Course</b></p> <p>The English Short Course accredits up to 60 hours of English language and literature activities. The challenges can be seen as preparation for coursework, as well as assessment opportunities. They can also underpin study of pre-release material and preparation for some elements of GCSE English language and literature examinations. Students will build up a portfolio of evidence to complete the qualification.</p>	<ul style="list-style-type: none"> <li>● Developing communication skills</li> <li>● Speaking and listening</li> <li>● Reading and writing styles</li> <li>●</li> </ul>	<ul style="list-style-type: none"> <li>● Reading for pleasure</li> <li>● Writing for a purpose</li> <li>●</li> </ul>	<ul style="list-style-type: none"> <li>● Reading for a purpose</li> <li>●</li> </ul>
<p><b>ASDAN Maths Course</b></p> <p>Developed in association with MEI (Mathematics in Education and Industry), the Mathematics Short Course accredits up to 60 hours of maths-related activities. It offers opportunities to develop understanding of the</p>	<ul style="list-style-type: none"> <li>● Probability and statistics</li> <li>● Money</li> <li>● Number</li> <li>●</li> </ul>	<ul style="list-style-type: none"> <li>● Geometry and measure</li> <li>● Algebra</li> </ul>	<ul style="list-style-type: none"> <li>● Mathematical discovery</li> </ul>

main topics in GCSE mathematics and apply the key attributes of functional mathematics; representing, analysing and interpreting. Students will build up a portfolio of evidence to complete the qualification.

**Work Experience or Supported Volunteering**

Every Friday, students will have the opportunity to either attend a weekly work placement or participate in supported volunteering/community work.

**Work Experience**

Students will attend a weekly placement every Friday in order to not only give them a taste of the working environment but also develop their confidence, independence, self-esteem and maturity. Work placements are also ideal for adding to future C.V.s and application forms when students are ready to start looking for employment.

**Volunteering/Community Work**

The Volunteering/Community Group provides a convenient way to capture, record and recognise the work of volunteers. There are challenges to help plan and review volunteering activity along with logs to keep track of the work carried out.
