

Class Dojo

Class Dojo is a communication tool to allow us to send messages home as well as to allow parents/carers to contact school.

If you are joining for the first time, you will need to ask your child's teacher or the office to add your email address to the system, please provide an address you can access for this.

(Invites have already been emailed to email addresses we have on record.)

If you have forgotten your password, you will need to click on the **Forgotten Password** option on the Class Dojo website/app, we have no control over your account.

If you already have a Class Dojo account for another child in the same or different school, you can ask us for a code to allow you to add your child to your existing account.

If you need further support, please contact the school office who can direct any questions to the Class Dojo manager.
