Dear Parent/Carer

The school participates in a scheme that is run jointly between schools and West Midlands Police.

Operation Encompass is the reporting to schools, prior to 10am on the next school day, when a child or young person has exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to receive the information and liaise with the police. The information is supplied in confidence and enables the school to make provision for possible difficulties experienced by children or their families, who have been involved in, or exposed to, a domestic incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for those involved.

Regards
